

MOTION BY SUPERVISOR GLORIA MOLINA

December 16, 2003

Last night the Huntington Park City Council approved placing the county special parcel tax for Libraries before it's voters on the March 2004 ballot.

I, THEREFORE, MOVE that the Board of Supervisors:

1. Make the finding that the need to take action arose subsequent to the posting of the normal agenda; and
2. That the Board adopt the attached resolution for the City of Huntington Park; and
3. The Board accepts the request of the City of Huntington Park to consolidate their special election on this issue with the countywide general election in March 2004.
